		Expires: December 6, 2004

ATTENTION: PROGRAM DIRECTORS OF CHILD CARE AND DEVELOPMENT PROGRAMS

This Management Bulletin offers existing California Department of Education, Child Development Division (CDE/CDD), contractors the opportunity to request continued funding for fiscal year (FY) 2005-06. *California Code of Regulations, Title 5 (5 CCR), Section 18010 states, "Contractors that intend to accept the offer to continue services in the subsequent contract period shall respond to a continued funding application request from the Child Development Division in accordance with the instruction and timelines specified in the request."* We encourage each contractor to review this information as soon as possible to ensure that appropriate time and resources are reserved to complete the process. A completed application packet is due to the **CDD** no later than **5 p.m. on December 6, 2004**.

5 CCR, Section 18010(e) states that, "Failure to respond within the timelines specified in the continued funding application request shall constitute notification to the CDD of the contractor's intent to discontinue services at the end of the current contract period." Failure to respond to requests from the CDD for additional information may also result in an adverse action for the agency.

Executive Directors are receiving this copy of the Management Bulletin **for informational purposes. The complete Management Bulletin including the Application for Continued Funding packet is being sent to your agency's Program Director to coordinate the completion and timely submission of the application on behalf of your agency. The complete Application for Continued Funding packet** consists of: (1) Management Bulletin 04-09, which includes specific instructions for completion (printed on blue paper); (2) Application for Continued Funding (CD-3704, printed on white paper); and (3) Data Reports (printed on buff paper).

For contractors with more than one program director, the CDD selected the initial name available in our database. If necessary, the name of that individual may be obtained by contacting Will Lee, Analyst, at (916) 445-0969.

The California Department of Education does not require formal board approval of the application package. In most cases, board action is only required to sign the formal contract. If your agency's governing board requires approval prior to application submittal, make sure that the board action is completed in time to meet the due date.

A contractor may download the package by accessing our download site location at:

www.cde.ca.gov/sp/cd

This Application for Continued Funding may be completed with word processing software; however, electronic submission of your application is unavailable. Submit the completed application along with three (3) copies through regular first class mail.

If you are the program director designated to receive the complete application package, review the instructions for specific details about completing the appropriate forms. Complete one application packet with **original signatures and submit it along with three copies to the CDD office. The completed packet must be received no later than 5 p.m. on Monday, December 6, 2004.**

Mail the application to the following address:

Specific staff requirements are included within the certification. **Sign original copy** in **BLUE** ink. Signature needs to be from an authorized representative of the CDE contractor (not the subcontractor). By signing this form, the

agency's authorized representative certifies that: (1) he/she is aware of current staffing requirements; and (2) that persons employed as program directors, site supervisors, teachers, associate teachers, and assistants in CDD programs are qualified for the positions they hold throughout the contract period. Please note: Personnel Rosters are not included in this packet. The rosters are part of the Desired Results Self Review that is due June 1st each program year. However, agencies must still certify that they employ qualified staff.

If **Title 5 Program Director or Site Supervisor** requirements are not currently met, and there is no current waiver in effect, the contractor may request a staff qualification waiver from the CDD. NOTE: Waiver requests are subject to the CDD review and approval. A waiver will be sent to the contractor upon approval. Agencies will be out of compliance until the appropriate permit/credential or waiver is obtained. Waiver application forms are available on our Web site: www.cde.ca.gov/sp/cd. Waiver requests may be submitted at any time during the contract year.

STAFF QUALIFICATIONS WAIVER REQUEST (CD 7701A) - Use only for staff at the Program Director and/or Site Supervisor levels who do not currently possess **Title 5** permits as required. **Refer** to the contract's Funding Terms and Conditions and Program Requirements or page 3 of Application packet for current staffing qualifications.

Waiver application forms are available on our Web site: www.cde.ca.gov/sp/cd. This waiver form does not apply to other programs serving school-age children. GLTK contractors that are unable to meet the non-subsidized enrollment requirement and do not have an approved waiver will have their reimbursement reduced by the Child Development Fiscal Services.

PAGE 5 - ALLOCATION OF AGENCY FUNDS USED DURING FISCAL YEAR 2003-04

The purpose of this form is to report prior year spending data. Complete only if your agency either serves (1) multiple counties; or (2) any portion of Los Angeles County.

Complete LEGAL NAME OF AGENCY, VENDOR NUMBER, AND COUNTY in the spaces provided.

Insert CURRENT YEAR CONTRACT NUMBER. REPORT COUNTY NAME OR LOS ANGELES COUNTY SERVICE PLAN AREAS (SPA) where services are being provided, **AMOUNT (\$)** of funding used and the **PERCENT OF TOTAL** represented in FY 2003-04 (For Los Angeles County, use the SPA listed on Page 5 of the application. If a new zip code has been added, estimate its location within the appropriate Los Angeles local service planning area.)

The subtotals in the **AMOUNT (\$)** and **PERCENT OF TOTAL** columns should include administrative expenses. The **TOTAL** column should equal the FY 2003-04 Maximum Reimbursable Amount (MRA) for each contract. If the fund distribution reported is not typical for your agency, describe on the back of the form how the distribution might differ in FY 2005-06.

Please direct any questions you may have about this particular form to Cynthia Robinson, Child

Development Fiscal Services, at (916) 324-4531.

PAGE 7 - SUBCONTRACT CERTIFICATION - **Complete only** if the contractor uses a subcontractor(s) for management and/or direct services. The prime contractor is responsible for ensuring that its contract with the subcontractor includes the subcontract provisions detailed in the 5 CCR, and the Funding Terms and Conditions and Program Requirements. The prime contractor is also responsible for monitoring the subcontractor's current and ongoing fiscal and program compliance. Subcontracts for management and/or direct services shall be audited in accordance with CDE Audit Guidelines.

Complete in the spaces provided:

- **CONTRACT TYPE TO WHICH SUBCONTRACT APPLIES**
- **NAME OF SUBCONTRACTING AGENCY/SITE(S)**
- **SUBCONTRACT AMOUNT**
- **SERVICES TO BE SUBCONTRACTED**
- **LEGAL NAME OF AGENCY**
- **SIGNATURE OF AUTHORIZED AGENCY REPRESENTATIVE, DATE** - Read, sign, and date the original copy in **blue** ink. Signature needs to be from an authorized representative of the CDE contractor (not the subcontractor).

PAGE 8 - FISCAL YEAR 2005-06 CALENDAR - ENTER THE LEGAL NAME OF AGENCY, COUNTY, VENDOR NUMBER, AND CURRENT CONTRACT NUMBER ON TOP OF FORM. Complete a **separate** calendar for each contract. Mark all days that the program will serve subsidized children during the FY 2005-06 contract period (center-based and family child care homes networks). Alternative Payment (AP) and Resource and Referral (R&R) programs should mark the days the program office is open for business. Total the number of days the program will operate each month, each quarter, and for FY 2005-06. The total number of days marked for each contract will constitute each contract's Minimum Days of Operation (MDO) where applicable.

Child development programs, except State Preschool (GPPE), Campus (GCAM), and Migrant (GMIG), generally operate a minimum of **246 days**. **GPPE and GCAM programs** operate a minimum of **175 days** (PART YEAR). **GMIG** programs operate on **days that reflect the local agricultural season**.

Provide justification for a **reduction** of days on the reverse side of the calendar **if** the number of days shown on the calendar falls below 246 or 175 (as applicable to the contract type) **and** your agency proposes to operate for fewer days than its FY 2004-05 MDO. Provide a description of program if the numbers of calendar days exceed 246 or 175 (e.g. year round, Head Start collaboration, etc.). If your MDO changes during the any fiscal year contract period, your agency is responsible for submitting a revised calendar to your assigned program consultant to obtain the necessary approval. The revised calendar **MUST** be received in writing no later than June 30. **DOUBLE CHECK YOUR MATH** when adding days.

PAGE 9 - MONTH(S) OF non-operational or no service (CDMIS FORM 900) This form is used to report program months where no service is provided. Additionally, it informs CDMIS that a CDD

801A monthly population report will not be submitted for that month. For agencies that are new contractors and have not yet begun to provide services to families, check the NON-OPERATIONAL box and list the date services are expected to begin. All other programs which have **full months in which children are not served**, check the NO SERVICES box and indicate which month(s) the agency will not provide any CDD subsidized service. Sign in blue ink, date and include agency name, county and vendor number.

PAGE 10 - APPLICATION FOR CONTINUED FUNDING CHECKLIST - Complete to ensure that a comprehensive application packet for all of the agency's CDE/CDD contracts is sent per instructions.

DATA REPORT (buff color paper) - This is the information that the CDD currently has in its database regarding your agency, its contracts, and offices/sites per last year's application process and subsequent updates received by your agency. A DATA REPORT is generated for each site listing all contract type(s). **Please do not submit this report in any other format. Use the form that is included with this management bulletin.** If you did not receive the appropriate DATA REPORT, please call your assigned consultant (as listed on pages 5 and 6 of the Instructions).

Review information contained on your agency's DATA REPORT. **Add, delete, or modify** information as appropriate on the DATA REPORT. Indicate all changes by printing legibly using a **blue** pen. If data is correct with no changes, please initial the page.

Include all DATA REPORT pages when returning your agency's completed packet.

Add pages as needed using the same format provided. Clearly indicate the contract type(s) on each page and complete all data fields appropriate to the site.

Submit a copy of the license of each **new** center-based facility.

Please note: An agency's legal name or administrative headquarter address change **cannot** be made solely on the basis of DATA REPORT updates. In order to process an administrative headquarters address change: (1) **Private proprietorship agencies** are required to submit a copy of the letter notifying the Internal Revenue Service of the address change and a copy of the board minutes verifying the change to their assigned consultant; (2) **Incorporated agencies** should submit a letter notifying CDE/CDD of the address change and include a copy of the notice to the Secretary of State's office; and (3) **LEA's** may submit a letter from the superintendent or their designee. If you have additional questions, please contact your assigned consultant. All contractors shall notify the CDD in writing when a change occurs in their mailing address within ten (10) days.

If you have any questions about completing the application package, please call your assigned consultant (as listed on pages 5 and 6) or call (916) 322-6233.

Subcontract Certification Fiscal Year 2005-06

An agency that chooses to subcontract services will not have to submit the language to the CDD for prior approval. Only information about direct service contracts needs to be described. Your annual audit will include review of subcontract compliance. In addition, subcontracts for management and/or direct services must be audited in accordance with CDE Audit Guidelines and reported with either your audit or the subcontractor's audit. Duplicate this sheet if you need additional space.

I certify that the contractual arrangement(s) listed above are in adherence with the required subcontract provisions contained in the 5 CCR, and the Funding Terms and Conditions.

I understand that signing this certificate does not lessen the legal responsibility for the subcontract requirements. As the prime contractor, the agency maintains the responsibility to monitor the performance of the subcontractor to ensure that services are provided appropriately.

Then return with your agency's completed application).

- ☐ 1. **NON-OPERATIONAL:** The Agency is a brand new contractor and has not yet begun serving children. Services to families will begin on
